*Greetings from Our Pastor
Peace and Blessings!*

In line with our Church Theme "A Church Living Out HIS Promise," you the Youth & Young Adult Ministry here at Zion have a great future promised from God.

For the Lord have said in "The Message Bible" The promise of seeing good all the days of our Life is Real. We have been seeing the good for these 85 years - It's time to Praise the Lord even more!

Thanks to you Dr. Kevin Daniels for sharing God's Word under the anointing of the Holy Spirit. Let men see your good works and glorify our Lord & Savior.

Thank you again Youth & Young Adult committee, and my Zion Family for letting His light shine through you.

Zion let us continue to grow in the faith, knowledge, and love of God through Christ Jesus by the Power of His Holy Spirit as we continue in the celebration of 85 years.

Because of Calvary,

Pastor Marshall F. Prentice

Pastor Marshall F. Prentice

Greetings from The Youth & Young Adults

If God is for us, then who can be against us. As we continue to live out His promises during Zion's 85th birthday, we are excited to make history and to continue in celebrating. The youth and young adults want to extend the warmest gratitude of appreciation to those who have supported the ministry. Through prayers, we are here today! We appreciate the leadership in Zion: our youth leaders, advisors over various ministries, youth and young adult officers, and most importantly Sister Prentice and Pastor Prentice.

We are His children, we are HIS Handiwork, and most importantly we are HIS promises! We are who God called us to be and through him we can amount to anything we put our mind to. We look forward to hearing Bishop Daniels to share his anointing that God has over his life.

Bringing ideas together and meeting all the time becomes hard work but when you know who's you are and continue to give God all the glory and honor and put him first, All good things will be added unto you.

Again, we thank all who had anything to do with the various activities and services for the month of June. We thank those who participated in the program and all the willing people who said "I Will" to these ministries. Through Christ, all things are possible and through God's love, we can continue to live like Christ and be an encouragement to those we touch. Continue to keep our ministries in prayer and remember You are HIS.

Respectfully submitted the Youth and Young Adult ministry
