

And the Lord answered me, "Write the vision, and make it plain upon tables, that he may run that readeth it." For the vision is yet for an appointed time; Habakkuk 2:2-3

Thank You

Greetings in Christ! These past few months have been a tremendous challenge in so many ways for individuals, families, churches, and of course, our Nation and world. The Men and Women's Day Committee count it all joy to have labored on this joyous occasion. While we as a church have seen challenges along the way God is faithful! He has proven Himself over and over again through the faithful, consistence of people just like you! It has truly been an honor to work with God's people to bring about this great celebration. We are thankful for the vision and direction of our beloved Pastor Marshall F. Prentice and the loving support of our First Lady Elvira Prentice. What a glorious occasion to celebrate how much we love our Lord and Savior, Jesus Christ. Thanks be to God for all that He has done and continues to do each day.

A MESSAGE FROM THE PASTOR

Peace and Blessings to the Men and Women of Zion, and congratulation on our 30th annual Men & Women's Day.

Then the LORD answered me and said: "Write the vision And make it plain on tablets, That he may run who reads it. For the vision is yet for an appointed time; But at the end it will speak, and it will not lie. Though it tarries, wait for it; Because it will surely come, It will not tarry.

Our theme Serving God with 2020 Vision - Is in line with
"A Church with 2020 vision - Making the Vision a Reality: offers a few thoughts:

One is, that we are a church with perfect sight as we move toward God in 2020.

The other thought - a church following the Vision God gave to Zion with 2020 Vision - moving forward in 2020 - "clear sighted" on the Vision - believing it is coming to reality in 2020.

Last year we were living out His promise- the promise,
that the days of life of Zion would experience good. (Psa.128:5) -

Today the Promise has begun.
We purchased a building for our new site; and our vision is clearer!
Better Days ahead!

Men and Women of Zion, in the words of Al Green "Let's stay together",
Unified in our vision in making it a Reality - {by giving} - believing it will come back in good
measure, press down shaken together and running over.

Give to the 365 campaign; pay Tithes and Offering and our Vision will be a Reality.

Today we are blessed to have the anointed and gifted preacher -
Pastor of the First Charity Baptist Church and my brother, friend.
and co-Labour in Kingdom Work

Pastor Hollis C. Neal, let me thank you, Man Of God for coming and sharing with Zion on this
special day. And thank you for the anointed message from God.

To the Men and Women's day committee, chairperson Linda Clark and members of the Multi-
Media ministry. Thank you for your service, especially in this time of trials, testing, and
tribulations. You are truly God's servant leaders and a blessing to Zion.

VISION

My vision is 'tomorrow' And the hopes I have for you. My vision is your future And the things you wish to do.

My vision sees the world ahead And the place to which it leads But today's the day that you must work to meet your future needs.

My vision is a caring world Where man considers man, But today is where your world begins To meet your future needs.

Will you care for our lovely world- Yes, starting from today? For starting from this point time There is no time to delay.

Our Mother Earth is crying out In agony and pain, For often mankind in his greed Thinks only of his gain.

Each thing you do, yes hour by hour- Is entirely your decision, But planning for that road ahead Is, for all of us, our vision.
